The 12/30/2016 Cincinnati Boxing event was a disaster as no boxers were paid by the promoter. We have sent the bond out to the fighters and are waiting to see what action will be taken. I have included a copy of the Inspector Steve Hank's report.

From our Drug Test supplier a copy of the proposed new drug testing procedures and what steroids that will be checked.

Cody Garbrandt of New Philadelphia Ohio won the UFC World Bantamweight title. I have been communicating with Marc Ratner about a possible title defense in Ohio.

Subject: BOOM Fitness Inspector Report

Greetings:

The event at BOOM Fitness only be described as a colossal mess. It was both unorganized and poorly attended. The event was plagued with issues from the day of the weigh-in. The only positive aspect of the event was that the bouts were evenly matched and the fighters who participated did so with the utmost professionalism and patience. Having said that, I will proceed to highlight the issues this event experienced.

Weigh-In:

- Fighter Demonte Cherry was a no-show
- Fighter Chris Nelson did not show-up for the weigh-in. He was contacted and advised that he would be allowed to weigh-in the day of the event at 3:00pm. He did not arrive until 3:30pm. Due to the number of fights on the card, he was weighed-in and allowed to fight.
- Fighter Kevin Roundtree threatened to not fight right before the show started due to a conflict with the promoter
- Contracts were not properly prepared and ready for the weigh-in (except for the main event)

Commission:

- Judge Oscar Kallett was a no-show.
- Referees Miliner and Scott alternated scoring bouts to cover for this absence

Event Start:

- The event was scheduled to start at 6:00pm (doors opened at 5:00pm).
- At 6:00pm, the ring was still not put together.
- The event did not start until after 8:00pm.

At the start of the event, there were approximately 150 people in attendance.

The only highlight of the event was that each bout was well fought.

Post Event:

After the event was completed, none of the fighters were paid/compensated.

This led to heated exchanges between fighters, fight camps and the promoter. Fighters and their camps were advised that (since it was midnight on Friday) the Athletic Commission had no form of recourse against the promoter and that any issues would need to be addressed to the Commission on the next business day. While all fighters and camps were professional with the Commission representatives, you can imagine their frustration with the promoter since they were not paid for their performances.

3773-7-03 Weigh in procedures.

- (A) The weigh-ins must be conducted by an inspector or a representative of the Ohio athletic commission at a place and time designated by the promoter in accordance with the rules bearing agency 3773 of the Administrative Code.

- (C) The scale used for the official weigh-in shall be provided by the Ohio athletic commission. If authorized by the executive director or the commission the scale may be provided by the promoter. If more than one scale is used, each contestant shall weigh in on the same scale as their opponent

Contestants weighing one hundred fifty-five pounds and lower will not be permitted to exceed the weight of the previous weigh-in by more than eight pounds. A contestant weighing more than one hundred fifty-five pounds will not be permitted to gain more than thirteen pounds, from their recorded weight from the day prior. The random second day weigh-in will be at the discretion of the executive director.
